From the forest to the rivers, 
And to the mighty sea 
Various living things are nurtured in the waters. 
Come and experience the wonders 
Of the great rivers around the world.

**World Freshwater Aquarium Aquatotto Gifu**

**By Car**
Only a short walk from Kawashima Parking Area Highway Oasis of the Tokai Materials Expressways. Via surface streets, 10 minutes drive from the Kinosiya Kiso River Interchange and the Gifu Kamakura interchange. Parking is free.

**By Trains and Buses**
Take the bus bound for Kawashima-Matsukura at Gifu Station of JR or Meitetsu. Get off at Kawashima-Kasada Station, and walk for 15 minutes. On weekends and holidays, some buses directly go to Water Eco Park (Oasis Park) station. Take the Kamakura Foreau bus from JR's Naika Station or Meitetsu's Shinkansen Naika Station, or a taxi from JR's Kiso River Station or Meitetsu's Shinkansen Kiso River Station.

**Admission Fee (Tax Included)**

**Serene Forest Full of Light**

*The Source of Nagara River*

Take a step inside, and you'll find yourself in a green forest. We have reproduced the waterfall and the gorge at the river source. Enjoy this serene atmosphere, a perfect getaway from hectic city life.

---

**A Nostalgic Archetypal Image of Japan**

*From the upstream to the mouth of Nagara River*

The tank reproduces the scenery of Nagara River from its upstream to the river mouth. It is so real that it seems as though it's been cut out from the actual scenery. You can also meet some of the endangered freshwater fishes which are in danger of becoming extinct due to environmental changes.

---

**A Journey Adventure, Off To The Unknown Continent**

*The Living Creatures in Asia and Africa*

Go out on an adventure and explore the world. In this section, you will meet various species living in the rivers and the lakes of Asia and Africa. They have evolved in their own way to survive through the environmental changes. These mysterious creatures will stimulate your curiosity even more.

---

**The Treasure Trove of Living Creatures; Amazon**

*Living Creatures in Amazon/ Sea Lion Shows and Others*

Amazon is 6,900km long. It is the largest river basin in the world. Come and meet the Pirarucu which can be as long as 4m and weigh up to 200kg, the Giant catfish, the Characins, and the Arowana. See how they swim in the tank slowly and graciously. There are abundant freshwater fishes in the Amazon.
